

President Edgar's Message
to the Civic Association

April 15, 1920.

To the Officers and Directors of the Narberth Civic Association:

At this time it might be fitting to go over the work of the Narberth Civic Association past and future.

From copies of Our Town we learn that the Association was organized in 1914 with the following object:

"TO IMPROVE AND BEAUTIFY THE BOROUGH AND VICINITY; TO ASSIST AND CO-OPERATE WITH THE AUTHORITIES IN ENFORCING LAWS AND ORDINANCES RELATING THERETO; TO PROMOTE ANY PROJECT HAVING FOR ITS PURPOSE THE BETTERMENT OF THE COMMUNITY AS A WHOLE; TO PROVIDE A MEANS OF ACQUIRING AND DISSEMINATING INFORMATION ON ANY SUBJECT OF GENERAL INTEREST; AND TO FOSTER AND MAINTAIN A FRATERNAL SPIRIT AMONG THE PEOPLE OF OUR COMMUNITY."

This surely is an object well worth attaining and presents an appeal which any good citizen cannot fail to recognize.

The Historical Pageant of 1914 was an advertisement which started to make Narberth known, it brought our own people together and brought many visitors from the surrounding territory to appreciate Narberth's natural advantages as a suburb.

The Patriotic Fete of 1918 served to bring our own people together and raise almost \$1000.00 for war charities.

Clean-up weeks were instituted by the Civic Association.

We helped free Lancaster and Montgomery pikes of toll.

Garden contests, which have encouraged residents to beautify their own grounds and therefore help the whole section, were promoted and financed by members of the Civic Association.

We have taken in hand the June Flower Show started five years ago by two of our good friends, and this year will hold a fall flower show in addition.

Our Town, our means of acquiring and disseminating information, is now a necessity to the Borough, and is the result of a noble effort and much hard work and sacrifice by members of the Civic Association.

Many other smaller works have been accomplished.

Narbrook Park, a real achievement of the Civic Association, is surely a successful development and will be envied and copied by communities in this and other States. For some unexplainable reason our local authorities have not completed the good work of turning fourteen acres of swamp and neglected farm land into \$350,000.00 worth of revenue-paying property. Lot owners in Narbrook Park are frequently and more insistently asking us why their taxes are spent on the rest of the Borough and not in the Park. It is only fair and just that we should be able to answer them, and to this end our Park Development Committee should meet with Councils and request that Narbrook Park receive the improvements which by every right and precedent it is entitled to.

The Civic Association program has in the past been truly constructive and must continue to be more so with a greatly increased population and a greater need of such an organization.

It seems that if in the past we have fallen short, it has been in that part of our object: To foster and maintain a fraternal spirit among the people of the community. This, the most vital part of our whole object, must be our sacred duty, and we should bend every effort to attain it.

We should read the object on our membership card, study it, plan for it, show it to our friends and neighbors, and we should be proud of our connection and make ourselves a committee of twenty-four to bring in new members.

We must have more and larger public meetings, we should have in mind that Narberth needs a place to hold such meetings, and we should be the organization to promote such a project.

For the coming year part of our work is:

- The completion of Narbrook Park.
- The Rose and Peony Show, June 5th.
- Dahlia Show, September 25th.
- Great Oak Playground, Narberth and Chestnut Avenues.
- Publicity for Narberth.
- Special publicity for Narbrook Park.
- A better looking business section.
- A Community Flower.
- A newspaper with more news and a greater circulation.
- A letter to every new resident, introducing Our Town and the Civic Association.
- Free delivery of mail.
- Committee to promote motion picture machine and stereopticon machine for use of community.
- A closer co-operation of the Civic Association with Councils and Borough officials, with Board of Health, Board of Education, Fire Company and any other activity organized for public welfare.
- A larger membership of voting members at \$1.00 a year.
- A larger membership of contributing members at \$2.00 a year.
- A larger membership of sustaining members at \$5.00 a year or more.

A big program, we will say, but not big enough; ideas are wanted, reasonable complaints with suggestions for their remedy will be carefully investigated, provided they are in written form. This will give us a bigger program.

We have a fine organization, some older workers and some newer ones; the latter are especially valuable because their viewpoints are those that have possibly been lost by older members who know Narberth better as a small place.

We are all busy people. We are here because busy people find time to do things; people of leisure have no time.

A good organization, a big field, the only thing that might be lacking is a knowledge of the pleasure and satisfaction of doing things for the benefit of our neighbor. Unless we have tried this we will never know.

ROBERT J. EDGAR, President.

LACK OF SUPPORT AND INTEREST
NECESSITATES UNFORTUNATE
ACTION—EFFECTIVE
MAY 1, 1920.

(By the Committee.)

After having done its utmost for many years to serve the interest of the community, and especially its legion of young people, always without the appreciation and support of the general community, but ever hopeful that its appeal might some time be heard, conditions are such that the closing of the doors of the Association is the only alternative presented.

The officers and directors have for many years devoted their money, time, thought and effort unstintingly to a cause that it was felt was badly needed in this community of young people.

That this devotion has not been appreciated is of little moment; that the community is not willing to invest in its one big asset—its young people—is an unfortunate condition; a situation to be viewed with concern by all in this "Year 'Round Home Town."

The Association has not been what it should be—its lack of equipment and inability to provide adequate supervision and properly undertake the promotion of community welfare work, has been due not to a lack of vision on the part of the officers, but to an absence of funds so essential to the carrying out of any such program.

The financial situation, under the present cost of operation, is too serious to all to continue—the expenses being approximately \$200.00 per month over

BIG TIME IN STORE FOR MONDAY
EVENING—PROCEEDS FOR HOLIDAY HOUSE—EVERYBODY
INVITED TO ATTEND.

The annual dinner of the Men's Club of the Baptist Church of the Evangel will be held Monday evening, April 19, in the Y. M. C. A. This event has always been highly successful in the past, and there is no doubt that the coming dinner will also be most enjoyable. Somewhat of a novel feature will be introduced this time, in that the menu will be prepared and served by a committee representing the Holiday House. In this way a splendid dinner is assured. The club also guarantees a certain sum and all net profits to the very worthy cause of assisting in the operation of the Holiday House, which is well known to Narberth people in its work of bringing health and happiness to many little poor folks, from the city during the hot summer months.

The principal address of the evening will be given by Hon. Ernest L. Tustin, Welfare Director of the city of Philadelphia. Mr. Tustin is a splendid speaker and brings a real message. An excellent musical program has also been arranged.

This affair is by no means limited to Baptists. The club invites every one who wants a good dinner and a good time to attend.

Tickets may be obtained from Mr. James C. Simpson.

Two Day Bazaar Big Year's Event

WOMAN'S COMMUNITY CLUB TO GIVE BIG TIME TO NARBERTH
FOLKS NEXT FRIDAY AND SATURDAY, 2-10 P. M.

Next Friday and Saturday, the Woman's Community Club of Narberth will hold a Bazaar in the Narberth Fire House, and extensive plans have been made for this big event, details of which are given in this paper.

Supper will be served each evening, and the bill of fare for each evening speaks for itself. Arrangements have been made to accommodate a large crowd, and there will be a place for you and your friends. From the present prospects, it looks as though everybody in Narberth will turn out on either one or both of the days mentioned; next Friday and Saturday.

You can save yourself lots of time during the week by omitting the week's baking, as home-made baked goodies will be on hand for everybody, not speaking of the various booths, dancing, and the many pretty and interesting, as well as useful articles which will be on sale. The children will particularly be interested, and as one of the members remarked, "It will be two wonderful days with wonderful things to eat, wonderful things to see, wonderful things to buy and a wonderful time for all of us."

Many men are planning to meet their wives and kiddies for supper at the Fire House.

Proceeds of the evening will be for the Narberth Club House Building Fund, and the more money you spend the quicker Narberth will have a community house that will be for the use of the people of the borough.

Remember Friday and Saturday, 2-10 P. M.

NEWLY ELECTED OFFICERS AND DIRECTORS HOLD FIRST MEETING—PRESIDENT EDGAR OUTLINES ACTIVITIES AND APPOINTS COMMITTEES.

A program of new work to be done by the Narberth Civic Association was inaugurated Thursday evening at the first meeting of the newly elected officers and directors, held in the Community Room of the Y. M. C. A.

In another column is printed President Edgar's "message to the Association," which reviews briefly the purpose and history of the Civic Association, and outlines a tentative program of activities in which the Association will engage during the coming months. We urge every resident to read Mr. Edgar's message carefully, for it contains much information and many worthwhile suggestions which are not only of interest to all our citizens, but which point the way to the making of Narberth an even more attractive and worthwhile "Year 'Round Home Town."

Bazaar Notes.

Bring the kiddies to the Fish Pond at the Bazaar. All kinds of real prizes for them—not "junk."

The booth of Children's Dresses, Dolls and Toys, under the able leadership of our own Mrs. Horace Moore, and Mrs. George Orth, is replete with the cutest dresses for our toddlers—girls and boys. And the dolls! But then you'll need a bag from the Bag Booth. No admission charge, and the kiddies are wanted.

Jams, jellies and delicatessen. Mrs. E. A. Muschamp and Mrs. Roy E. Clark will dispense these toothsome dainties. "Dad" can linger to his heart's content.

Have you heard about "The White Elephant" booth at the Bazaar? Our capable Secretary, Mrs. Neal Anderson, and Mrs. Robert Nash have some splendid surprises. Yes, you'll need the big basket.

Have you heard about the "comforting donation" our Mr. C. P. Cook gave the Women's Community Club Bazaar? A ton of coal. Watch "Dad" plunge!

The Apron Booth, for which our Mrs. Robert Dothard is working hard, has a wonderful collection for the whole family. You'll just need them all.

Editorial

The two-days Bazaar to be held by the Woman's Community Club of Narberth at Elm Hall, next Friday and Saturday, from 2 until 10, will undoubtedly be of much enjoyment to the residents of Narberth, who will avail themselves of the opportunity of laying aside their duties and cares for these two afternoons and evenings.

The proceeds are for a community building, which Narberth is greatly in need of, and for this reason alone support should be given to every extent possible.

It is requested particularly that the children be brought to the Bazaar, as arrangements are being made as much for them as for the grown-ups.

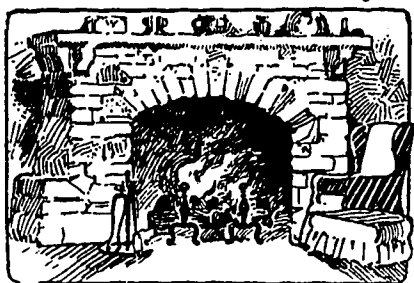

To the Editor of Our Town:

Dear Sir: We have felt much concerned recently, owing to the fact that the Club's letters have not been appearing in Our Town, and had it not been in hopes that he would shortly be on his job again, we would have discontinued our subscription to the paper. We trust, Mr. Editor, that you will keep the Club right at his work and earning his salary, as one would think, judging from the way that he jumps in and out with his articles, he was giving his services free.

We enjoy the Club's articles from week to week,—in fact, we must have them to keep up our spirits during these trying times.

THE FIRESIDE

Mr. and Mrs. E. A. Muschamp were recent visitors in Atlantic City.

Mr. George Floyd, of Dudley avenue, is critically ill with acute rheumatism.

Mr. Herbert Seymour and Miss Mabel Seymour spent the week end in Atlantic City.

Mrs. William H. Cohie and daughter, Miss Jane Estelle Cohie, have returned from a visit to Athens, Pa.

Don't forget the Bazaar next Friday and Saturday, April 23rd and 24th, in Elm Hall.

Mark your calendar—April 23rd and 24th, Bazaar for Building Fund of the Woman's Community Club's new building.

Mr. and Mrs. John B. Brooks were the guests of Mr. and Mrs. Henry James Page, of Frankford, on Sunday last.

Miss Wilma Dummer, of Da Costa, New Jersey, was the guest of Mrs. John B. Brooks, of Dudley avenue, during the past week.

Conditions of unrest and possibility of food being scarce and high in price should persuade everyone who can do so to cultivate a garden this year.

Our Town acknowledges with thanks receipt of a check for \$10.00 as a contribution from the Narberth Tennis Association, which donation is indeed greatly appreciated.

Food cars have been placed on the sidings at Narberth, and the contents, which is perishable stuff, such as lettuce, asparagus, chickens, etc., is being hauled into the city by truck and wagons.

In these days of college drives there is something modest in the announcement of Haverford College that its alumni are going after \$500,000 additional endowment, which is needed to meet recently announced increases in salaries of professors.

A large number of supper tickets are being distributed for the Woman's Community Club Bazaar, to be held next Friday and Saturday, from 2 until 10, at Elm Hall. Buy your tickets early and avoid the big rush which is expected.

Meeting of New Catholic Club

The first general meeting of the Main Line Catholic Club, of Narberth, will be held in St. Margaret's Hall on Sunday evening, April 18th, at 8 o'clock, when the purposes and scope of the organization will be outlined in detail, and enrollment made of all who desire to become members. The Club will be unique in the fact that there shall be no fixed dues nor initiation fees, and it is hoped that the first meeting will be characterized by a large attendance.

Those desiring additional information may apply to Mr. P. A. Lanahan, temporary chairman, or Mr. C. H. Chain, temporary secretary.

SCHOOL NOTES

Our morning chapel exercises are being hailed with unusual enthusiasm. Different classes are taking turn at presenting programs of unique interest. The Sophomores started the series on Tuesday of this week. They succeeded in presenting the following program, which was out of the ordinary:

The Salute of the Flag; a moral selection by Jean Houston; Bible and prayer; "The Star-Spangled Banner"; advice to the "Freshies," written and read by Vice-President Sperry; special music, Dorothy Chalfant, Emily Needham and Karl Kremer; story written by Martha Martin and read by Elvera Cruman; the School Song ended the program.

April 17th!

Lest you forget, let us remind you that you are planning to come to our High School Auditorium this Saturday night at 8 o'clock to witness the Senior Play, "Miss Somebody Else." Those who have stolen glimpses at the rehearsals claim that it looks as though one would have good return for his money. The following large cast assures a variety of interest:

Constance Darcy, the brilliant young daughter of Harvey Darcy, a multi-millionaire, Elizabeth Harsch Celeste, a vivacious French maid, in the employ of Constance, Dorothy Drew

Ann Delavan, a reduced gentlewoman, manager of Tuxedo-brook Club House,

Ruth S. Darborow Mildred Delavan, 18-year-old daughter of Ann and Jasper Delavan

Solveig Knutzen Mrs. Blainwood, a society leader of Tuxedobrook, Gertrude Ross Fay Blainwood, Mrs. Blainwood's debutante daughter,

Florentina Mueller Alice Stanley, a graceful society girl, Grace Woolcocks Freda Mison, another society girl,

Alice Maltby Mrs. Herrick, a beautiful young society matron, Frances Diamond Susan Ruggs, Mrs. Delavan's maid,

Emma Mueller Cruger Blainwood, Mrs. Blainwood's only son, J. Gustave Erdman Ralph Hastings, a young crook,

Frederick Harsch John, chauffeur to Constance, Ellsworth Riley

Jasper Delavan, an elderly scientist, Lawrence R. Houston Sylvester Crane, a diffident chap of good family,

Wayne Harris Bert Schaffer, an enthusiastic but awkward member of the younger society set of Tuxedobrook, Ross Hovenstein

And if there be anyone who cares neither for young people as such, nor for enthusiastic youthful actors and actresses, he may still find satisfaction in the music of the orchestra, which will play no small part in the evening's entertainment.

When next week you hear the people talking about the success of the combined attractions, you will be glad you too went. Yes, don't envy the audience Saturday night. Be one of them!

You can get your tickets at the door. Even a few reserved seats will be kept for sale.

Narberth Young Men's Christian Association Forced to Close Its Doors

(Continued from Page 1.)

and above all income, which deficit has for some time been covered by borrowed money and the contributions of a few of Narberth's public-spirited citizens. In fairness to these citizens and the Association, the officers feel the only alternative is to cease operation. Closed, the plant will be more nearly self-sustaining.

The recent campaign for a building fund with which to increase the facilities and equipment of the Association was only 50% successful, while in the meantime the probable cost of the improvements has so greatly increased as to make it unwise to proceed at this time with the expansion program.

All these phases of the situation having been carefully studied by the officers and directors of the Association, it seemed wise to withdraw at this time, both from the Association activities and the contemplated expansion plans, and to give action to this determination the directors at their last meeting adopted the following resolution with regard to the closing of the Association:

Whereas, The expenditures of the Association necessary to maintain it on even its present incomplete basis exceed the normal income by an average of approximately \$200.00 per month, and

Whereas, This monthly deficit has been covered partly by contributions of a few public-spirited citizens and partly by the borrowing of funds, and

Whereas, This condition creates a situation that is unfair to all interests concerned, and cannot be permitted to continue, and

Whereas, The recent campaign for funds to increase the facilities and equipment of the Association was only partially successful, while the probable cost of such work has greatly increased, due to unusual building conditions, thus rendering it unwise to start any building at this time, and

Whereas, The community as a whole has not supported the Association in its attempt to provide a center for community interests and the welfare of the young people of the town, or in a manner reasonably to be expected; therefore, be it

Resolved, That effective May 1, 1920, the Association shall close its buildings and cease its Association activities; and be it further

Resolved, That it is the expressed understanding of the Board of Directors that the closing of the Association shall constitute not only a cessation of Association activities, but shall include the building, its equipment and its facilities; that the building shall not be opened, and that nothing shall be loaned, rented, sold, or be otherwise made available without the consent of the Board of Directors; and be it further

Resolved, That it should be understood that the Corporate Association and Executive Administration of the Narberth Young Men's Christian Association is in no way affected, and that all contracts and obligations of the Association will be properly continued and met in accordance with all the terms thereof; and be it further

Resolved, That the Treasurer is hereby instructed to pay to all members of the Association, when and if demanded, the pro-rata value of unexpired membership dues.

It was also felt that fairness to the contributors to the building fund necessitated a frank statement of the facts, and to take care of the situation thus created there was also adopted the following resolution:

Whereas, The Association in November, 1919, and since, has been conducting a campaign for funds with which additions and improvements might be made to the Association's facilities, and

Whereas, Because the campaign has been only partially successful, and for other good reasons, these plans have been temporarily abandoned, and

Whereas, By resolution this date, the activities of the Association have been directed to cease on May 1, 1920, and the building ordered closed, pending a change in existing unfavorable conditions; therefore, be it

How would YOU
like a raise
like this?

—and for
34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more *per church member* than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

SHOES MADE OF FISH SKIN MAY SOON BE COMMON.

Shark and Cod Hides Make Fine Leather, Scientists Announce.

Shoes made of fish leather will probably be a common feature within a few years, according to a statement issued by the Society for the Promotion of American Fisheries and Fish Products. Experiments have shown that shark skins can be tanned into durable and beautiful leather. Tanners assert that they can be dyed and finished in all colors, textures and weights, ranging from the finest kid to the heaviest sole leather.

Codfish skins can also be finished in a satisfactory manner suitable for commercial uses. One fisheries corporation which specializes in by-products estimates it can supply ten to fifteen million square feet of cod skin leather a year. As the supply of fish is practically inexhaustible, the lowering of the price of leather products generally is considered hopeful as soon as the fish skin trade is sufficiently developed.

80,000 CADDIES!

Almost eighty thousand caddies trudge the golf courses in the United Kingdom, mostly youths between 14 and 18, says the New York Sun and Herald. The question of their future is seriously exercising the minds of the golf club secretaries, who have the welfare of the race at heart. Carrying golf clubs leads to nowhere as regards a man's career.

St. George's Hill Golf Club at Weybridge, the most fashionable club in England, has tackled the problem manfully, and its example is to be followed by other clubs throughout Great Britain. During their idle hours when not carrying clubs the boys and disabled soldiers, of whom a number are employed, are to be trained to trades that will ultimately enable them to obtain employment of a regular and progressive nature. After three years' service with the club the caddy will receive a bonus of \$50, provided he wishes to leave in order to follow a trade he has learned.

A first-class bootmaker has been engaged to instruct caddies in bootmaking; in order to make the plan profitable members of the club send their repairs to school. Under the head greenkeeper the caddies are learning the art of market gardening in the club vegetable gardens. They are being initiated into the intricacies of green-keeping also.

WISE AND OTHERWISE.

"Do you know what the Order of the Bath is?" the teacher asked Mickey. "Sure, ma'am," replied the boy. "In our house it's Katy, then me brudder, then me."—Detroit News.

One ought to seek out virtue for its own sake, without being influenced by fear or hope, or by any external influence. Moreover, in that does happiness consist.—Diogenes Laertius.

Kindergarten—"Isn't chamois funny, mother?" Mother—"Why do you say that, my dear?" Kindergarten—"You use it to make the silver shine and to keep your nose from shining."—Brooklyn Eagle.

"There is one thing I would like to know about this photography of a drinking scene in the play." "What is that?" "Was it made with dry plates?"—Baltimore American.

Wythe—"Kent is a most unlucky man." Roebing—"How so?" Wythe—"He has just had a patent granted on a non-slippery corkscrew after years of work on it."—Brooklyn Standard-Union.

Many of the world's doers would be unknown but for its sayers.—Chinese. "What's become of the old-fashioned man who used to push a perambulator about the streets?" "I saw him the other day." "What was he doing?" "He was cranking his slyver while his wife held the twins."—Birmingham Age-Herald.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
